

WALK A MILE IN THEIR SHOES

Annex_0

Questions:

6-10 years

What is the first thing that comes to mind when you see the picture of Elykia and Esengo?

What is the relationship between Elykia and Esengo? for example, are they mother and daughter, sisters, neighbours etc.?

Elykia seems happy. Why could this be?

What games would you like to play with Elykia?

Could any other character carry Esengo on their back instead of Elykia? You can draw any character with Esengo and explain why you have chosen that character.

Which colours would you use to paint Elikya and Esengo? Which would you choose to paint yourself? Here we are referring to the skin tones.

What questions would you like to ask Elykia?

11-14 years

What is the first thing that comes to mind when you see the picture of Elykia and Esengo?

What do you find most striking?

What is the relationship between Elykia and Esengo? For example, are they mother and daughter, sisters, neighbours etc.?

Elykia seems happy. Why could this be?

What games would you like to play with Elykia?

Could any other character carry Esengo on their back instead of Elykia? If so, you can draw that character with Esengo and explain why you have chosen them.

Which colours would you use to paint Elikya and Esengo? Which would you choose to paint yourself? Here we are referring to the skin tones.

What questions would you like to ask Elykia?

What is Elykia wearing on her head? Have you ever seen someone similar to her in your city?

Why is Esengo being carried?

If Elykia lived in your country, she would find this normal since there are countries where women are supposed to always be with babies.

How old do you think Elykia is? If you think she is a teenager, do you think she could be Esengo's mother?

Do you think Elykia adopts a family attitude towards Esengo?

15-18

What do you think the relationship is between the two?

How old do you think Esengo is? (If they think she cannot be under 13, they could be presuming that Elykia is her mother)

What do you think the picture portrays? What are your views on Esengo being looked after by a woman?

What is coeducation? Do you think it is important, and if so, why?

In your current situation, would you mind taking care of Esengo?

Does Elykia work? If so, what does she do?

Which gender roles do you think society has instilled in you? Has your family instilled any gender roles in you?
