

A world map with a light blue background and orange landmasses. A string of purple thread is held by various cartoon characters from different cultures, forming the title 'The Crew Stay at Home' in large, orange, bubbly letters. The characters include a chef, a man with a beard, a woman in a purple shirt, a person in a red hat, a person in a patterned dress, a person in a colorful outfit, a person in a blue shirt, and a person in a yellow shirt. The string is held by the characters in a way that it loops around the letters of the title.

The Crew Stay at Home

***Today, we'll be with...
Marine!***

Hi everybody! My
name is Marine,
I'm African and
a friend of
Calasanz'.

I love working out
maps, and I know
the Piarists very
well.

Today, I want to
tell you a story
about my
classmate. Do you
want to hear it?

During the lockdown, a girl from my class didn't have a computer at home, and she couldn't take part in the lessons.

Her family only
have one
computer, and
they couldn't use
it at the same
time.

For that reason, she
felt sad during the
lockdown because she
couldn't keep in
touch with her
classmates.

Now that they've
gone back to
school, her
classmates ignore
her.

It was so long
since they'd
heard from her
that they forgot
all about her,
and now she
plays alone in
the
playground.

I need your
help!
What can her
classmates do so
that she is not
alone?

Thanks for your help!

Hmmm... I'm thinking...
What if we don't let anybody get
left on their own in the
playground?
