

# World Map

# RESTART TO *transform*

**Age range:** from 2 to 7 years old.

**Goal:** to raise awareness among students about the “Restart to Transform” solidarity campaign by creating a mural that will be hung in the classroom.

**Activity:**

The teacher explains the activity and what the campaign is about to the students, and how they will get involved.

Each child will be given a part of the mural where they are going to paint a world map with the characters of the campaign and the Itaka-Escolapios presences.

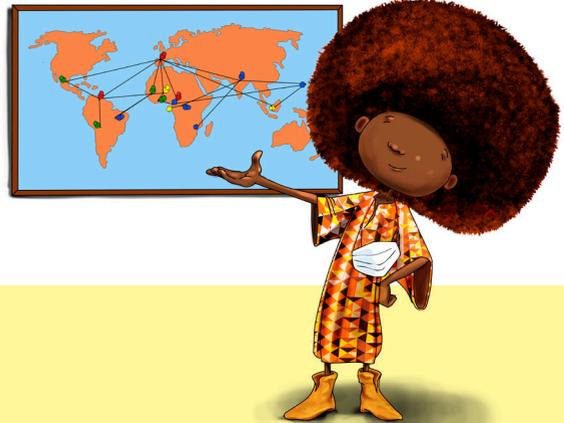

They will color in the five continents of the world (5-6 pieces), the characters of the campaign (8 pieces), the flags of the places where the Piarists are present

which are affected by the COVID-19 (16 pieces), and the title of the campaign (“Restart to Transform”).

The teacher will put all the pieces made by the students together and will create the mural which will be hung up in the classroom.
