

ITAKA
ESCOLAPIOS

Background

photocall

In order to make the campaign visible, we can use the entrance hall of the school, parish center, sociocultural center, etc. It can even be transformed into a Photocall where classes, groups, etc. can take pictures.

Activity:

Hang a map of each continent in the hallways and corridors. Attached you will find the maps for download.

On each continent, mark the Itaka-Escolapios offices and hang some pictures of each office. The pictures will be attached.

- Bolivia: Angaldo, Cocapata, Cochabamba, Santa Cruz;
- Brazil: Aracaju, Belo Horizonte, Governador Valadares, Serra;
- Burkina Faso: Zingane;
- Cameroon: Bafia, Bamenda, Bamendjou, Bandjoun, Kumbo, Yaunde;
- Ivory coast: Adidjain, Agbouville, Daloa;
- Spain: Albacete, Alcañiz, Barbastro, Bilbao, Granada, Jaca, Logroño, Pamplona, Madrid, Peralta de la Sal, Seville, Soria, Tafalla, Tolosa, Valencia, Vitoria, Zaragoza;
- Philippines: Kiblawan;
- Gabon: Libreville;
- Equatorial Guinea: Bata, Ebebiyin;

- India: Aryanad, Bangalore, Kamda;
- Indonesia: Atambua;
- Mexico: Campeche;
- Mozambique: Pemba;
- Democratic Republic of the Congo: Kikonda, Kinshasa;
- Senegal: Dakar, Kolda, Mlomp, Oussouye, Sokone;
- Venezuela: Barquisimeto, Caracas, Carora, Maracaibo, Valencia;

To connect one continent's offices of to another continent's, use a thick, pink thread or piece of wool. By doing so, you'll create a network across the hall or corridor, etc. That thread will symbolize the Itaka-Escolapios network and the solidarity between the offices and people, etc.

In each class or group of the Calasang Movement, the students think about how life was before the COVID-19 pandemic and how things are now.

Students imagine that they have the chance to start from scratch: Restart their life. What would they like to change? (Each grade is given a different field:)

- Kindergarten: Family / coloring face-masks
- First & Second Grade: Family / coloring facemasks
- Third & Fourth Grade: Family
- Fifth & Sixth Grade: School
- Seventh & Eighth Grade: Environment
- Ninth & Tenth Grade: Countries
- Eleventh & Twelfth Grade: Society

Each student writes their proposal for transformation on a small piece of paper.

The groups hang their proposals on the pink thread (with sticky tape, for example).

The group or class can then take a picture next to the map of continents. The news can then be posted on Itaka-Escolapios social media and at schools.

This is a very visual activity and a good reminder of the campaign.
