*Friday:*

Transformation from interculturality-religiousness.

Come, Spirit of God, Fill me with love, Help me to follow.

Come and send me out into the WORLD.

Take my heart, and teach me to serve.

Come, Spirit of God, come into my being, come into my life.

Come and give me your courage. Come and join me on my journey, to other countries, religions, cultures...

Come and change my existence, Lord, transform me.
