Personal transformation (Change your center) for the transformation of the educational center (centers that change).

**Watch the video:** (Lead india tree) Mindset change: <http://www.youtube.com/watch?v=uCOmVNCLcVo>

Surely, all of us have had some obstacles or challenges this year or last year. It could have been at home, at school, or elsewhere. Let us think about it. There are things in life that we sometimes find difficult, and we would like to change.

Jesus said *"Blessed are the pure in heart for they shall see God"*

May we be clean of heart and trust Jesus to move the obstacles in our life.

When we act "from the heart" there are always people willing to help us overcome our obstacle or challenge.

We have a moment of silence to ask Jesus to help us, this year, to overcome some difficulty.

In this moment of silence, we think that the child in the video is like Jesus. With HIM and together, we can overcome any obstacle.

We write down, on paper, what we are asking Jesus to help us with. What we want to overcome in our life.

Afterwards, we collect all the papers and read out loud those obstacles or challenges we want to overcome, and for which we have asked Jesus for help.
