Wednesday:

Transformation from Environment.

Watch the following video: <https://www.youtube.com/watch?v=h3TT-g8dqTE>

We pray:

Omnipotent God, who is present in the whole universe and in the smallest of your creatures.

You, who surround with your tenderness all that exists, pour into us the power of your love, so that we may care for life and beauty.

Fill us with peace, so that we may live together as brothers and sisters without harming anyone.

God of the poor, help us to rescue the abandoned and forgotten people of this world who are so precious in your eyes.

Heal our lives, that we may be protectors of the world and not predators, that we may sow beauty and not pollution and destruction.

Touch the hearts of people who seek only profit at the expense of the poor and the planet.

Teach us to discover the value of each and every thing, to contemplate in wonder, to recognize that we are deeply united with all creatures on our way towards your infinite light.

Thank you for being with us every day.

Please, encourage us in our struggle for justice, love, and peace.
