

Hi there team!

Congratulations for your excellent work on the ENVIRONMENT mission. We know that climate change is one of the greatest challenges facing our world right now.

You've made yourselves and others aware of the importance of caring for, respecting, and protecting our planet, the place we call home.

We must never stop defending planet Earth, it's a mission of vital importance.

Thanks to your work our world is a little better protected today. Hats off for completing your mission!

Best wishes,

Dorotea.
