Presentation of the social reality

- Cocapata is a municipality in Bolivia, located in the Ayopaya province of the department of Cochabamba, the municipality has a surface of 7060.16 km<sup>2</sup>, has a population of 18,076 inhabitants and they speak Quechua, Aymara and Spanish, they work in agriculture and camelid breeding.

Achievements of the last years

- Increase in the number of girls
- Maintaining an equal number of boys and girls.
- Increased support from public institutions (Mayor's Office and Sedepos)

Simple description of the task to be done:

- The boarding school San José de Calasanz Cocapata, offers the opportunity to continue studying to students who do not have the possibility to continue with their school studies after finishing elementary school in their communities, and the boarding school offers an integral formation and not only academic, it takes into account the potential of the students in all its aspects, since the boarding school offers extracurricular courses which allow them to discover their aptitudes.

Future intentions

- To maintain and increase the agreements with public institutions.
- Work on the theme of vocational guidance with students in the fifth and sixth year of secondary school.
